ARTICLE TITLE PAGE

Article Title

Screening for Post-Traumatic Stress Symptoms in Looked After Children

Author Details and Biographies

Dr Lottie Morris (Corresponding Author)

Affiliation: Clinical Psychologist, Manx Cancer Help

Address: The Lisa Lowe Centre, The Old School House, Cronkbourne, Braddan, Isle of Man, IM4 4HQ

Telephone: 01624 679 544

Email: Lottie@manxcancerhelp.org

Brief biography:

Lottie is a Clinical Psychologist who trained at the University of Bath. Her interests lie in early intervention and empirically grounded approaches to treating mental health problems. She has published several papers in peer reviewed journals and currently works in the field of psycho-oncology.

Professor Paul Salkovskis

Affiliation: Professor of Applied Science and Clinical Psychology, University of Bath

Email: p.m.salkovskis@bath.ac.uk

Brief biography:

Paul was previously Professor of Clinical Psychology and Applied Science and Clinical Director in the Centre for Anxiety Disorders and Trauma at the Institute of Psychiatry. Prior to that he was Professor of Cognitive Psychology at the University of Oxford. He has published extensively and is internationally recognised for his application of cognitive theory to the treatment of psychopathology.

Dr Joanna Adams

Affiliation: Clinical Psychologist, University of Bath

Email: j.l.adams@bath.ac.uk

Brief biography:

Joanna is a Clinical Psychologist and Clinical Tutor at the University of Bath. She has worked in a variety of clinical settings and currently works in Child and Adolescent Mental Health Services. Her research interests include adolescent development in the context of mental health difficulties.

Andrew Lister

Affiliation: Consultant Clinical Psychologist, Bristol City Council

Email: Andrew.lister@bristol.gov.uk

Brief biography:

Andrew is a Consultant Psychologist and Clinical Lead for a service for Looked After Children in Bristol. He has worked in this field for a number of years, and his research interests lie in this area.

Dr Richard Meiser-Stedman

Affiliation: Clinical Psychologist, University of East Anglia

Email: r.meiser-stedman@uea.ac.uk

Brief biography:

Richard is a clinical psychologist studying the course and phenomenology of post-traumatic stress in children and adolescents, and the mechanisms underpinning chronic PTSD.
